MESSAGE

Welcome to Iapacon 2027

It is with immense pleasure and honour that we invite you to the 18th Annual National Conference of the Indian Association of Paediatric Anaesthesiologists (IAPACON 2027), to be held from 12th to 14th February 2027 at the Main Auditorium, AIIMS Patna.

Centred around the theme, "Paediatric Anaesthesia – Safer Anaesthesia, Brighter Tomorrow", the conference aims to promote meaningful academic exchange, encourage innovation, and strengthen clinical excellence in the evolving field of paediatric anaesthesia.

IAPACON 2027 will bring together distinguished faculty, experienced clinicians, researchers, and young professionals from across the country for three days of enriching scientific deliberations, evidence-based learning, and collaborative discussions. The conference is thoughtfully designed to provide a vibrant platform for sharing knowledge, exploring emerging trends, and advancing patient-centred paediatric anaesthesia care.

The scientific programme will feature keynote lectures, panel discussions, case-based learning, interactive academic sessions, free paper presentations, quizzes, and valuable networking opportunities with peers and experts from across the nation.

This year, the conference will also host five specially curated hands-on workshops aimed at enhancing practical skills and clinical expertise through expert-guided learning experiences:
- Neonatal Ventilation: Every Breath Matters
- Regional Anaesthesia: Tiny Nerves, Precise Blocks
- POCUS: Probe, Scan, Save
- PPLS: Simulated Scenarios, Real-Life Mastery
- Pediatric Airway: Mastering the Smallest Spaces

Hosted at AIIMS Patna, one of India's premier institutes of national importance known for its excellence in medical education, advanced clinical care, and academic research, the conference promises a rich and intellectually stimulating experience for all delegates.

The historic city of Patna, one of the oldest living cities in the world, offers a unique blend of heritage, spirituality, and culture. Bihar has long been regarded as a gateway to multiple religions and philosophies. From the sacred land of Bodh Gaya, where Lord Buddha attained enlightenment, to the revered Jain heritage sites and the historic Takht Sri Patna Sahib, the birthplace of Guru Gobind Singh Ji, the region reflects a remarkable legacy of harmony, learning, and spiritual significance.

We cordially invite consultants, academicians, postgraduate students, and aspiring anaesthesiologists to join us for this prestigious national gathering. Together, let us continue to inspire learning, encourage collaboration, and work towards safer and brighter outcomes for every child.

We look forward to welcoming you to IAPACON 2027 at AIIMS Patna.
