Invitation from

Department of Pharmacology

Warm Greetings

We cordially invite you for active participation in a week long activities on Building Adverse Drug Reaction (ADR) Reporting Culture for Patient Safety and public health on the occasion of '5th National Pharmacovigilance Week'. We all are stakeholders in reporting ADRs and improving patient safety. We wish to impart needful skills and create awareness among healthcare professionals, patients and general public. Moreover, we also aim to deliberate upon various strategies for accelerated identification and reporting of ADRs at Institute and community level.

We thank you all, anticipating maximum and active participation with full enthusiasm in the '5th National Pharmacovigilance Week' with the theme "Your Safety Just a Click Away, Report to PvPI".

Warm regards
