**Invitation
from**

Department of Pharmacology

Warm Greetings 🙏

We cordially invite you for active participation in a week long activities on Building Adverse Drug Reaction (ADR) Reporting Culture for Patient Safety and public health on the occasion of '6th National Pharmacovigilance Week'. We all are stakeholders in reporting ADRs and improving patient safety. We wish to impart needful skills and create awareness among healthcare professionals, patients and general public. Moreover, we also aim to deliberate upon various strategies for accelerated identification and reporting of ADRs at Institute and community level.

We thank you all, anticipating maximum and active participation with full enthusiasm in the '6th National Pharmacovigilance Week' with the theme "Promoting rational use of medicine through Pharmacovigilance: A Step towards safer healthcare".

Warm regards
Department of Pharmacology
AIIMS Patna
