ANNEXURE-III

GUIDELINES FOR ELECTIVE POSTING OF MBBS STUDENTS

1. There will be an **Elective** posting for one month after the end of 3rd Prof. Part-I and before the commencement of 3rd Prof. Part-II.
2. The objective of the Elective posting is to provide the students with diverse learning, experience and to do research/community projects that will stimulate self-directed experiential learning and lateral thinking. It will also provide practical working exposure of departments to the students.
3. Elective posting will be mandatory for all students who have appeared the 3rd Professional Part-I Examination.
4. The students have to maintain minimum 75% attendance in *Elective* posting for appearing in 3rd Professional Part-II examination.
5. The Proposed date for Elective posting for the MBBS 2021 Batch is in the month of June 2025. The timings of the Elective posting will be from 10:00 am to 01:00 pm (Monday to Saturday). Regular scheduled classes of 3rd Prof. Part-II will be held from 8-10 AM & 2-4 PM.
6. Allotment of the department for Elective posting will be purely on *merit cum choice basis*.
7. Students can opt from all the departments available for Elective posting in order of their preference.
8. Assessment will be done by the department concerned at the end of Elective posting.
9. During the Elective posting logbook has to be maintained by the concerned department.
10. At the end of Elective Posting, the assessment & attendance record to be submitted to both O/o the Dean (Academics) & Dept. of Medical Education by the respective Departments.
11. The Application Form, Modules, Preceptor, List of the Department available for the Elective Posting & number of seats available in each department will be available on the Institute's website.
12. Application form will submit to the O/o the Dean (Academics) by the student concerned within timeline.
13. The final list of Elective Posting will also be displayed on the Institute's website.
